

Great Things Happen When
You Act ON PURPOSE

ON PURPOSE means acting with intention and commitment. That’s why in partnership with KSL Resorts, we are acting ON PURPOSE to foster more sustainable, prosperous, and equitable futures for our communities, our planet, and our resort.

We are bringing this commitment to life through science-based, measurable, and intentional initiatives that drive positive change from within.

What We’ve Done ON PURPOSE

We are proud of the accomplishments achieved by our resort. Here are just a few of the sustainability wins recorded in 2023.
